Division of Occupational and Professional Licensing, 160 East 300 South, Salt Lake City UT 84115, Phone 530-6628 or toll-free in Utah only 866-275-3675.

Determination Regarding Holding Meeting Without Anchor Location

Public Body: UBCC Architectural Advisory Committee

Chair Name: David Triplett

The public meeting(s) scheduled for 5 Jan. 2021 (Date or date range) will be conducted electronically and without an anchor location. I have determined meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location.

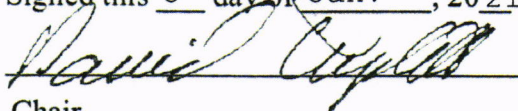

Facts upon which my determination is based:

Governor Gary Herbert issued Utah Executive Order 2020-1 declaring a state of emergency in response to COVID-19, and pursuant to Utah Executive Order 2020-5, modified the Open and Public Meetings Act requirements allowing electronic meetings without an anchor location. Utah Executive Order 2020-5 allows a public body to hold an electronic meeting, to provide means by which interested persons and the public may remotely hear or observe by audio or video transmission the open portions of the meeting. As a result, the

Chair determines that there is substantial risk to the health and safety of those who may be present and will therefore be conducting its public meeting referenced above electronically, without an anchor location.

Note: As Spencer Cox has been inaugurated as the Governor of Utah as of 4 January 2021, and the Executive Orders as noted have not been rescinded by the Governor, this finding remains in effect until such time as the previous Executive Orders expire or the Governor terminates those orders.

Signed this 5 day of Jan., 2021

Chair

UNIFORM BUILDING CODE COMMISSION
ARCHITECTURAL ADVISORY COMMITTEE
STRUCTURAL ADVISORY COMMITTEE
UNIFIED CODE ANALYSIS COUNCIL
JOINT MEETING

June 20, 2019
Heber M Wells Bldg
North Conference Room
Salt Lake City. UT

STRUCTURAL ADVISORY COMMITTEE

Josh Blazzard	Michael Buehner
Jerel Newman (excused)	Jeremy Achter
Peter McDonough (excused)	
John Saunders (excused)	

VISITORS:

Shane Cook

MINUTES

A motion was made by Bryan Romney to approve the minutes from the June 5, 2018 and the June 6, 2019 Architectural Advisory Committee meetings as written. The motion was seconded by Jeremy Achter and passed unanimously. There was not a quorum present for the Unified Code Analysis Council or the Structural Advisory Committee.

MAKE A RECOMMENDATION TO THE
UBC COMMISSION IN CONNECTION
WITH HB 142 – BUILDING
STANDARD FOR THE USE OF MASS
TIMBER PRODUCTS

Those present discussed the adoption of building standards for the use of mass timber products. Michael Buehner addressed the concerns brought up at the June 6th meeting for special inspections on site during construction or in the factory. He reported that the Structural Advisory Committee is recommending that the requirements for special inspections were adequately addressed in the ICC code and that no additional language to the current ICC provisions be made.

Following the discussion by all present, a motion was made by David Triplett to make a recommendation to the Uniform Building Code Commission that the legislature adopt building standards for the use of mass timber products established in the language vetted by ICC and intended for incorporation in the 2021 IBC and IFC. The motion was seconded by Bryan Romney with a recommendation that the words “mass timber products” be changed to “tall wood buildings”. The first and second concurred and the amended motion passed unanimously by the Architectural Committee with members in attendance from the Structural Committee and the Unified Code Analysis Council voting unanimously in favor.

The meeting adjourned at 3:15.

Note: These minutes are not intended to be a verbatim transcript but are intended to record the significant features of the business conducted in this meeting. Discussed items are not necessarily shown in the chronological order they occurred.
